On November 12, 2018, S.P. requests a photo of her vagina that the Defendant took during a sexual encounter. The defendant sent the photo to S.P. via Facebook. The photograph shows the Defendant's hand, identified by a distinctive tattoo visible in the photo, manipulating the inner and outer labia of S.P.'s vagina.

Agents identified S.P. and confirmed she was in fact 15 years old, as she had stated in the initiation of the chats. S.P. was interviewed and admitted to meeting the Defendant for sex and allowing him to photograph her vagina.

The Defendant was interviewed by law enforcement on January 23, 2018. After being confronted with the Facebook evidence the Defendant admitted that he had met S.P. and had sex with S.P., he also admitted taking photos of her vagina with his phone.

The undersigned have thoroughly reviewed, understand, and agree that the information contained in this Stipulation of Fact is true and correct.
